Your Advocate

CCMS is dedicated to advocating and supporting the "Physician." Supporting by promoting the health care of our community, provide a forum for the discussion of moral, ethical and social concerns relating to medical care, providing educational opportunities for our members, advocate constructive health policies, and promote our excellent physicians' service to their patients.

Physicians must accept the responsibility of their patients' healthcare but they also should receive the respect their profession deserves. CCMS is activist for that respect.

Benefits of Membership

Benefits of membership:

- **Advocacy:** CCMS monitors and fights for your (the physician) interest in both public and private sectors on national, state and local levels.
- **Education:** CCMS presents educational activities through speakers designed to help meet your needs as well as providing a long-term commitment to improving the quality of health care in Georgia.
- **Information:** CCMS is one stop place for information on Practice Management, Medical Alerts, Financial Management (both personal and professional) and other concerns of the Healthcare Industry.
- **Comradery:** Group and individual discussions and activities with other in the Medical Community.

Cobb County  Medical Society
Foundation

CCMS' Mission Statement

We are physicians working together to promote the health care of our community.

Your Society formed CCMS Foundation as a 503 ©(3) Non-Profit that can accept your tax deductible charitable donations.

The CCMS Foundation is dedicated to the charitable concerns of our physicians. CCMSF is organized to fund initiatives with the power to help physicians create a healthier future for all Georgians.

You may Donate:

- To say "Thank You"
- To honor someone
- To celebrate with someone or group
- To start a "Special Fund" in recognition of a cause or person
- To increase your charitable contributions

Consider YOUR CCMS Foundation in your giving.

Cobb Healthcare Professionals PAC

The voluntary group of individual physicians and other healthcare professionals who want to have a voice in the political process

Our healthcare is the **BEST** in the world. We, as the providers know this better than anyone (even our legislators).

Are you happy with the way Tort Reform is being delayed?

Is "Prior Authorization" process a nightmare?

What about insurance reform?

Are you resigned to letting politicians dictate what happens to our profession?

What will become of the doctor-patient relationship?

You can stand up and have your voice heard.

The 2020 Elections are a few short months away. CHPPAC will support candidates that support healthcare and the physician-patient relationship. CHPPAC is your advocate in the political area.

2019 Officers

Meet CCMS' President

Dr. Dysart, MD is an Orthopedic Surgeon in Marietta, GA. Dr. Dysart graduated from Medical College of Georgia at Augusta University in 1981 and has been in practice for 37 years. He completed a residency at Walter Reed National Military Medical Center. Dr. Dysart is specializing in Adult Reconstruction/total Joint Arthroplasty and sports medicine. He is

on staff at Wellstar Health System and is the Medical Director for Adult Reconstruction at Wellstar Kennestone Regional Medical Center.

His clinical and research interests are in Enhanced Recovery After Surgery (ERAS) and virtual and augmented reality in surgery. He has designed and implemented rapid recovery pathways resulting in reduction or elimination of opioid usage and improved patient outcomes in major orthopedic surgery. His work in VR has contributed to surgical education and improved patient outcomes.
